GENERAL RULES

(These rules apply to the entire show.)

1. This flower show conforms to the standards established by National Garden Clubs, Inc. (NGC). The *Handbook for Flower Shows (HB)*, 2017 Edition, with revisions printed in the *National Gardener* magazine (TNG), is the authority for all issues not covered by the Schedule, which is the Law of the Show.
2. Horticulture, Design, and Botanical Arts Divisions are open to members of National Garden Clubs, Inc. The Education Division is open to NGC members and invitees.
3. Entries will be accepted at the L&N Depot on June 13 from 3:30 to 6 p.m. (subject to change) and June 14 from 7 a.m. to 9 a.m. **Entries will close promptly at 9 a.m.**
4. Exhibits must remain in place until 5 p.m. June 14 and must be removed by 6 p.m. June 14.
5. Judging begins at 10 a.m. on Tuesday, June 14.
6. Entry cards are available from the entries Chair, Susan Faller, or from, Susan Throneberry, and Mary Ann Hext, on June 13 or prior to show by request.
7. Entry cards are to be filled out in advance if possible. Cards are to be typed, written using waterproof ink, labels, or pencil. Refer to the *Handbook for Flower Shows*, Chapter 6 for a correctly filled out entry tag or see the last page of this schedule.
8. Entries which must be pre-registered with the chairs are: Horticulture Section K–Collections, all Design entries, all Botanical Arts entries. See specific divisions for information.
9. The Classification Chair for each division checks exhibits for conformity to the schedule prior to judging. Final determination for conformance is the judges' responsibility.
10. The General Chair and the Classification Chair for each division are available during judging for possible consultation. They, along with the judges and clerks, are the only personnel allowed on the floor during judging. In case of emergency or extenuating situations, exceptions may be made.
11. The decisions of the Judges are final. Awards may be withheld if not merited.
12. There must be an emphasis on **FRESH** plant material. No artificial plant material is permitted in any exhibit in any division.
13. Each exhibitor is limited to one entry per class, except in the Horticulture Division and the Botanical Arts Photography Section.
14. The Cardinal Council and the Historic Railpark will strive to assure the safety of all items after arrival and placement but are not responsible for any loss or damage to exhibits. Personal properties should be marked with exhibitor's name.
15. Plant Selection: Plants on the Threatened and Endangered Species in Kentucky Conservation List https://www.fws.gov/frankfort/pdf/KY_TE_List.pdf and the Kentucky Endangered Species List https://ballotpedia.org/Endangered_species_in_Kentucky#Listed_species may not be entered unless you grow them yourself or (for design division) obtain them legally. Noxious weeds and plants on the KY Invasive list (<https://plants.usda.gov/java/noxious?rptType=State&statefips=21>) will be so marked by the Entries chair. Plants at threat levels 1 (severe), 2 (significant), and 3 (moderate) are not allowed in Design. (*HB p. 81*)

DIVISION I - HORTICULTURE

"America the Beautiful"

Horticulture Division Rules

(These rules apply to the Horticulture Division only.)

1. The NGC Exhibit Policies are printed in the *Handbook for Flower Shows*, Chapter 6, Exhibiting in the Horticulture Division.
2. The rules for a single species cut or container-grown specimens are listed in the *Handbook for Flower Shows* or its supplement, *Horticulture Exhibiting and Judging*.
3. In order to receive an NGC top exhibitor award, the exhibitor must identify the entry by its binomial name or currently accepted scientific designation. Consult the *Handbook for Flower Shows*, Exhibiting in the Horticulture Division, Chapter 6.
4. Entry cards are to be filled out in advance if possible. Cards are to be typed, written using waterproof ink, labels, or pencil. Refer to the *Handbook for Flower Shows*, Chapter 6 for a correctly filled out entry tag or p. 14 of this schedule.
5. Cut specimens should not have foliage below the water line, except for gladiolus.
6. Horticulture entries must be FRESH and grown by the exhibitor.
7. Plant material must be in its natural state and may not be altered by application (treatment) of oil, commercial "shine" products, etc., which change the natural appearance. No wiring of specimens is permitted.
8. Exhibits must have been in the possession of the exhibitor for no fewer than 90 days with these exceptions: no minimum for annuals grown from seed, seedlings, or immature transplants, forced bulbs, tubers, corms, or rhizomes. Aboreals must be owned for (6) six months.
9. If a plant is considered a flowering plant, it should be exhibited as a flowering specimen. Foliage plants may flower but should be exhibited as foliage plants if they are grown for their leaves.
10. Specimens with a class designation in the schedule may not be entered in the "any other worthy" class.
11. The Horticulture Classification Committee Chair and/or General Show Chair are free to subdivide classes by color, form, size, cultivar, variety, or other distinguishing characteristics.
12. The Scales of Points for Judging Horticulture are located in Chapter 14 of the *Handbook for Flower Shows*.
13. Entries which must be pre-registered with the chair are Horticulture, Section K - Collections.
14. Late entries and entries that do not meet specifications will be placed in a suitable location and will not be judged. The classification chair checks for conformity to this flower show schedule.
15. Glass containers (green) for cut specimens in Sections A-H will be provided by the show personnel.
16. Unobtrusive wedging material (evergreen sprig, plastic wrap plug, Styrofoam, wood, etc.) is permitted.
17. Double potting is permitted in Section I and J: Container Grown Plants; container must not exceed 12 inches in diameter.
18. More than one entry per class may be made by an exhibitor provided each is of a different cultivar, type, species, or color.
19. Tables for horticulture exhibits will be covered with black fabric and a black plastic overlay.

DIVISION II – DESIGN
“Star Spangled Banner”
Design Division Rules

(These rules apply to the Design Division only.)

1. The NGC Exhibit Policies are printed in the *Handbook for Flower Shows*, Chapter 7, Exhibiting in the Design Division, NGC Policies and Guidelines. (HB p. 79-80)
2. Advance registration with the Design Entries Chairman/Consultant is required by **Monday, May 30, 2022**.
3. Plant material and non-plant material permitted and not permitted in the Design Division are printed in the *Handbook for Flower Shows*, Chapter 7.
4. All plant material used in the design **must be identified using a white, 3 x 5-inch card**, provided by the exhibitor using botanical names and cultivars when possible and included with the entry tag.
5. The Designer has the freedom to choose traditional or creative style with any design listed unless restricted by the Schedule.
6. The Designer is required to conform to the stated description and limitations of the design type if named in the class. Types maybe found in HB p. 70-79.
7. Rules for design types, advanced design types, table designs and table appointments are printed in the *Handbook for Flower Shows*, Chapter 7.
8. Designer is on her/his honor that the design being entered has not been previously entered or previously judged in an NGC Flower Show.
9. The Scale of Points for Design is listed in the *Handbook for Flower Shows*, Chapter 14 and below.
10. Designs must be the work of one (1) individual.
11. Some plant material must be used in every exhibit. This includes fresh and/or dried plant material. Plant material need not have been grown by Designer. A single flower is not a design.
12. Fresh plant material may not ever be treated in any manner. Dried plant material may be treated.
13. If Designer is unable to fulfill her/his assignment, it is Designer’s responsibility to find a replacement.
14. A Designer may enter as many classes as desired, but only one exhibit per class.
15. Design classes are limited to four entries. Advance registration is required with the class consultant listed in the show personnel.
16. Accessories are permitted as Designer desires.
17. Rules governing the use of artificial plant material, religious symbols, the American Flag, cut fruits and vegetables and living members of the Animal Kingdom may be found in the *Handbook for Flower Shows*, p. 80-81. Landscapes or scenes are not permitted in the Design Division. (HB p. 80)

DIVISION III – EDUCATION

“Sweet Land of Liberty”

Eligible for the Education Award

Education Division Rules

(These rules apply to the Education Division only.)

1. Educational exhibits must instruct and promote the goals and objectives of NGC.
2. Educational exhibits may be the work of more than one individual or organization unless a student judge, or an accredited judge is seeking exhibiting credit for preparing an educational exhibit.
3. An exhibit must occupy a minimum of eighteen (18) square feet of surface area. Exhibits will be displayed on a 72” round table covered with black cloths provided by the show committee.
4. This competitive division is judged by the Educational Exhibits Scale of Points (*HB p. 130*) and below and is eligible for the NGC Education Award.
5. Exhibits should convey educational facts quickly and persuasively in an interesting manner.
6. Exhibits should be unique, dramatic, colorful easy-to-read and include feature/s that attract and hold viewer attention.
7. Handout materials add to educational value but are not required.
8. Each part of the exhibit should contribute to distinctive overall effect.
9. Plant material is not required, although it is encouraged where appropriate. No artificial plant material is permitted.

Exhibit 1: “This Land Was Made for You and Me” – Lost River Cave is a 501(c)3 not-for-profit organization with 72 acres of land that was made for you and me. The Friends of Lost River Cave provide for the conservation of the cave, woodlands, wetlands, prairie, meadow, and wildlife located on the park preserve. This exhibit displays the cooperative effort to connect the local community through volunteer efforts and the land through its core values: education, conservation, and preservation. With doing so, Lost River Cave strives to educate and enrich lives through connections with nature. Because of you, this land is for all. Presented by Lost River Cave.

Exhibit 2: “Nectar: Pollinators' Sweet Reward” – Flowers have evolved specialized shapes, colors, and scents to aid in providing nectar for specific pollinators. By growing those flowers in our yards, we provide the pollinators with the food they need to survive. When every yard has those flowers, then pollinators can go where they please in their own sweet land of liberty. Presented by the Southern Kentucky Chapter of Wild Ones.

Exhibit 3: “Native to Kentucky: Plants and Pollinators” – Information will be presented on gardening practices with a focus on conservation. The exhibit will include material on the use of Kentucky native plants, and the provision of shelter and food for wildlife, with emphasis on birds, beneficial insects, and butterflies. Presented by Warren County Cooperative Extension Master Gardeners.

HOW TO COMPLETE YOUR ENTRY TAG FOR THE FLOWER SHOW

More detailed instructions are on HB p. 53-54.

1. Enter the title of the flower show.
2. Enter the show date.
3. Enter the Division: Division I for Horticulture, Division II for Designs, Division IV for Botanical Arts.
4. Enter the letter of the Section from the schedule.
5. Enter the Class Number.
6. The Entry Number will be assigned at the Entries table.
7. Enter the Scientific or Binominal Name giving the Genus and Specific Epithet. The genus is ALWAYS capitalized and underlined if handwritten. It is followed by the specific epithet which is never capitalized but underlined if handwritten. Many plants may not have a specific epithet but will have cultivar names which are capitalized, never italicized or underlined, and should be enclosed in single quotes. More information can be found on HB p. 53. You may find the scientific name on the Internet by searching for the common name.
8. Common names may be included on the entry tag within parentheses but do not substitute for the plant's botanical designation due to the regional nature of common names.
9. Enter your Name and Address on the entry tag or use address labels.
10. Enter your Garden Club Name.
11. Complete both the upper and lower portions of the entry tag, then fold, and attach to your entry to the container with a rubber band or place next to it when appropriate.
12. Take the entry tag with your specimen to the Horticulture Classification table then to Entries to complete your registration. It will then go to the Placement Table where it will be taken to the proper location to be judged.
